Flowform® Outdoor

Flowform Outdoor Rectangle Table

MODEL#: 56213

OVERVIEW

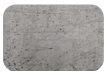

These unique shapes and rounded edges invite more movement around the table for easier access and mobility among students at every level. Pair with our Flowform Outdoor Soft Seating to create individual zones for student engagement and learning.

MATERIALS

The 1/2" work surface is made from high-pressure laminates (HPL) with a flame-retardant F-Core covered in an Acrylic PUR-Resin which allows for both indoor and outdoor use. Seats 2-4 people.

The legs are attached to the underside using stainless steel screws. Legs are made of steel, have an UV durable paint for outdoor use and the glides are made of nylon. Rounded edges and 29.5" Height Range pair well with Flowform Outdoor Seating for a cohesive space.

SURFACE OPTIONS
