Planner® Studio

Planner Studio 42" Deep Tables w/glides

MODEL#: 25219H, 25221H, 25223H, 25225H, 25227H, 25229H, 25231H, 25233H, 25235H

Model # Shown: 25201

OVERVIEW

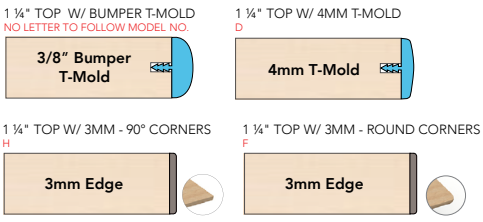

Planner Studio is ideal for all kinds of classroom activities. The heavy duty construction contributes to a sturdy work surface that can hold 400 pounds. The Planner Studio table is shipped ready to assemble.

MATERIALS

The 1 1/4" thick work surface consists of a 45 lb density particle board core with a .030" high pressure laminated surface and a .020" melamine backer sheet. The edge of the work surface features a 3mm flat self edge.

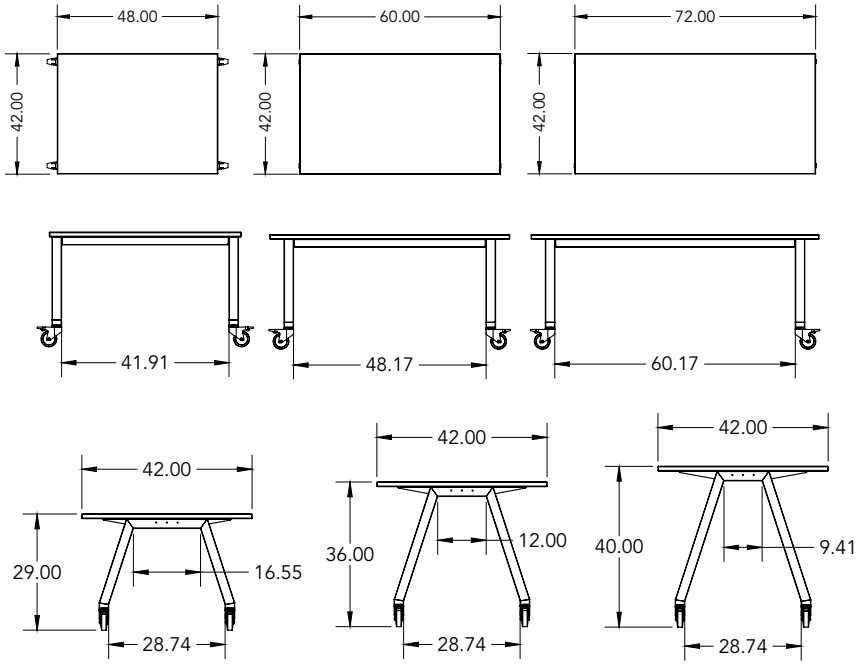

The frame consists of two fully welded leg segments and a center support channel. The legs are attached to the pre-drilled holes in the top with #10 x 5/8" wood screws through a 14-gauge steel mounting plate. The mounting plate is welded to (2) 60mm x 60mm 14-gauge steel square tube legs which are welded to a 1" x 2" 14-gauge steel tube cross bar. The center support channel is 2" x 3" 14-gauge steel, with 14-gauge steel end plates for maximum stability. The center support channel is connected to the legs by (4) connector bolts.

TOP AND EDGE OPTIONS

DIMENSIONS

Model	Description	D"	W"	H"	WT
42" Deep Models *(w/glides)*					
25219H	42x48 Studio Table, 29" Fixed Height	42	48	29	120
