

OVERVIEW

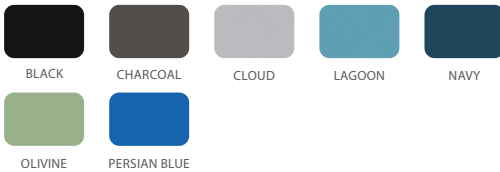

The Potential Stool is a cost-effective option for durable, inclusive seating in a full line of fixed-height and adjustable-height options. Value-packed features include integrated pneumatic lift to help with seating position and a built in handle for flexible mobility.

MATERIALS

The seat is plastic polypropylene shell which is great to use in any learning environment. The waterfall edge was specifically designed to allow the occupant of the backless stool to sit facing any of the 3 sides, facing front, facing left, or facing right. Comes with a 5-star Nylon Base and 11ga Steel Mounting Plate.

WEIGHT CAPACITY: 275
