# Assembly Instructions

1. Remove all PET felt sections shown in white on the supplied model specific maps.  
Take care when removing the components, the felt components can bend and crease if handled roughly.
2. Align the mating geometry as shown, the parts should mate without gaps.

3. Align the mating geometry as shown, the parts should mate without gaps.

# Assembly Instructions

3

6. Install the 4x connectors from panel B, push over the nubs then push down to lock the connector in place. Note, the large gap on the connector must be facing up.

5. Install the lower connectors by pushing over the nubs then pushdown to lock the connector in place.

# Assembly Instructions

6. Install the 2x fins by pushing the fins nubs into the slots and sliding the fins up

**ASSEMBLY COMPLETE**
