

Assembly Instructions

FLOWFORM PLAY

Components

Note: The appearance of your product may vary depending on the model. Follow the assembly instructions as shown, as assembly steps are consistent across all Flowform Play standard models.

- Check that all components are accounted for and undamaged before assembling.
- Please assemble the product in a clean and dry area.
- Clean the product with a mild cleaner and a damp cloth.

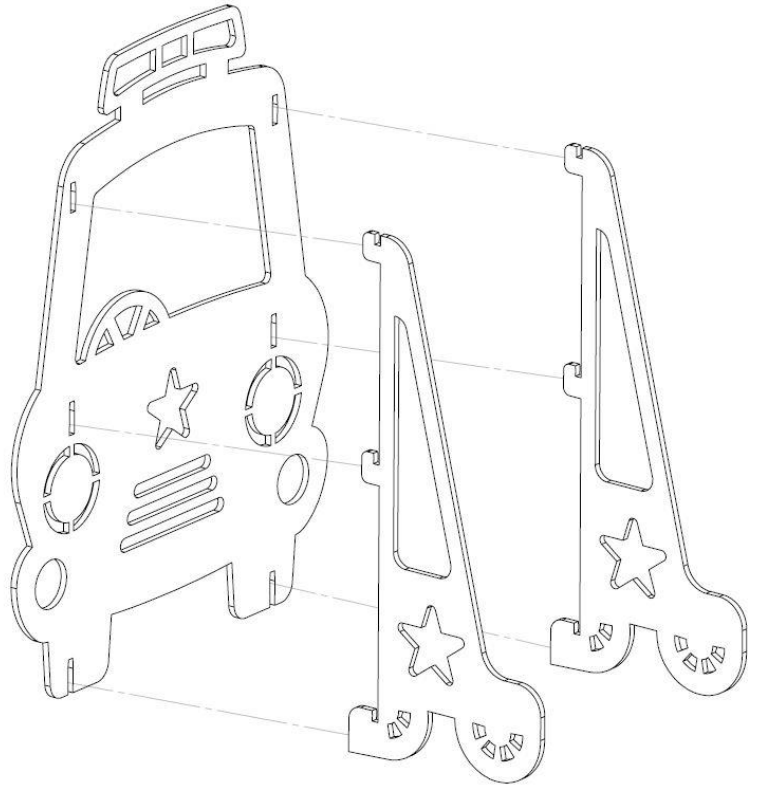

If you have damaged or missing components,
please contact customer service at 1-800-328-1061

Assembly Instructions

2

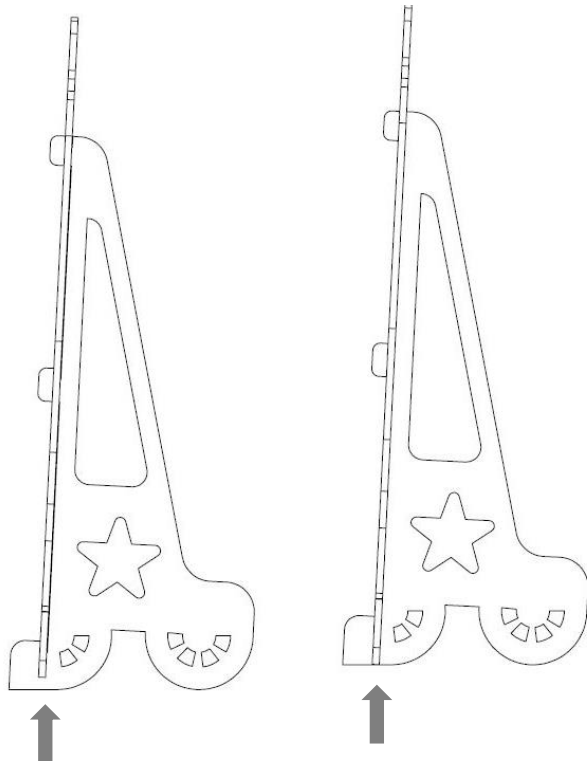

1. Remove all PET felt sections shown in white on the supplied model specific maps below. Take care when removing the components, the felt components can bend and crease if handled roughly.

2. Align the mating geometry as shown.

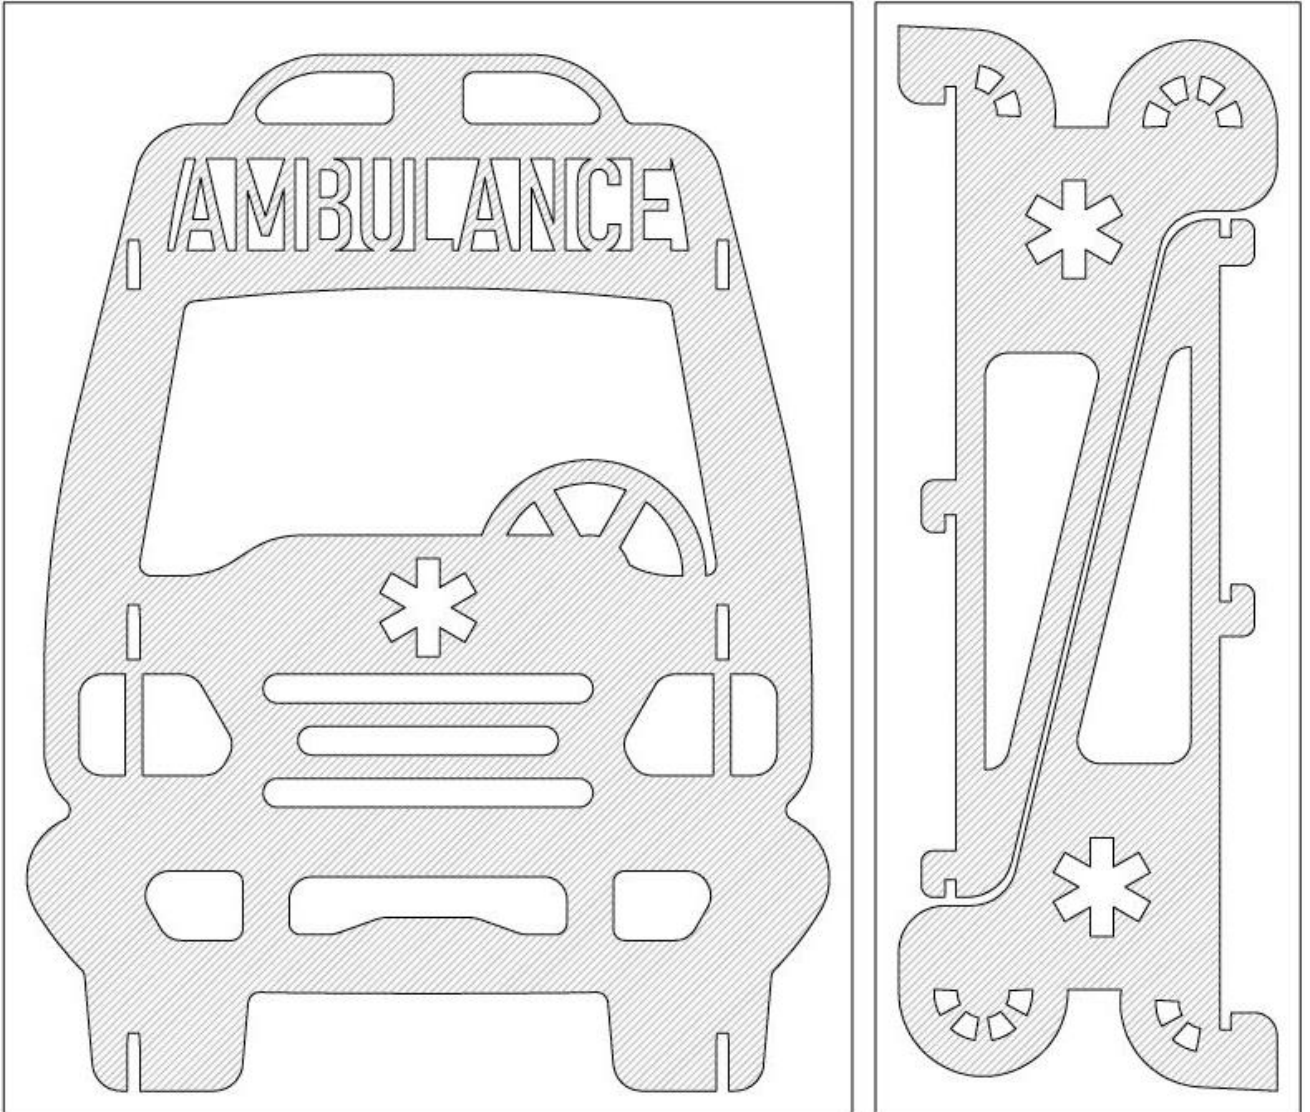

2. Slide the side panels up until the side panels and front panel are lined up as shown.

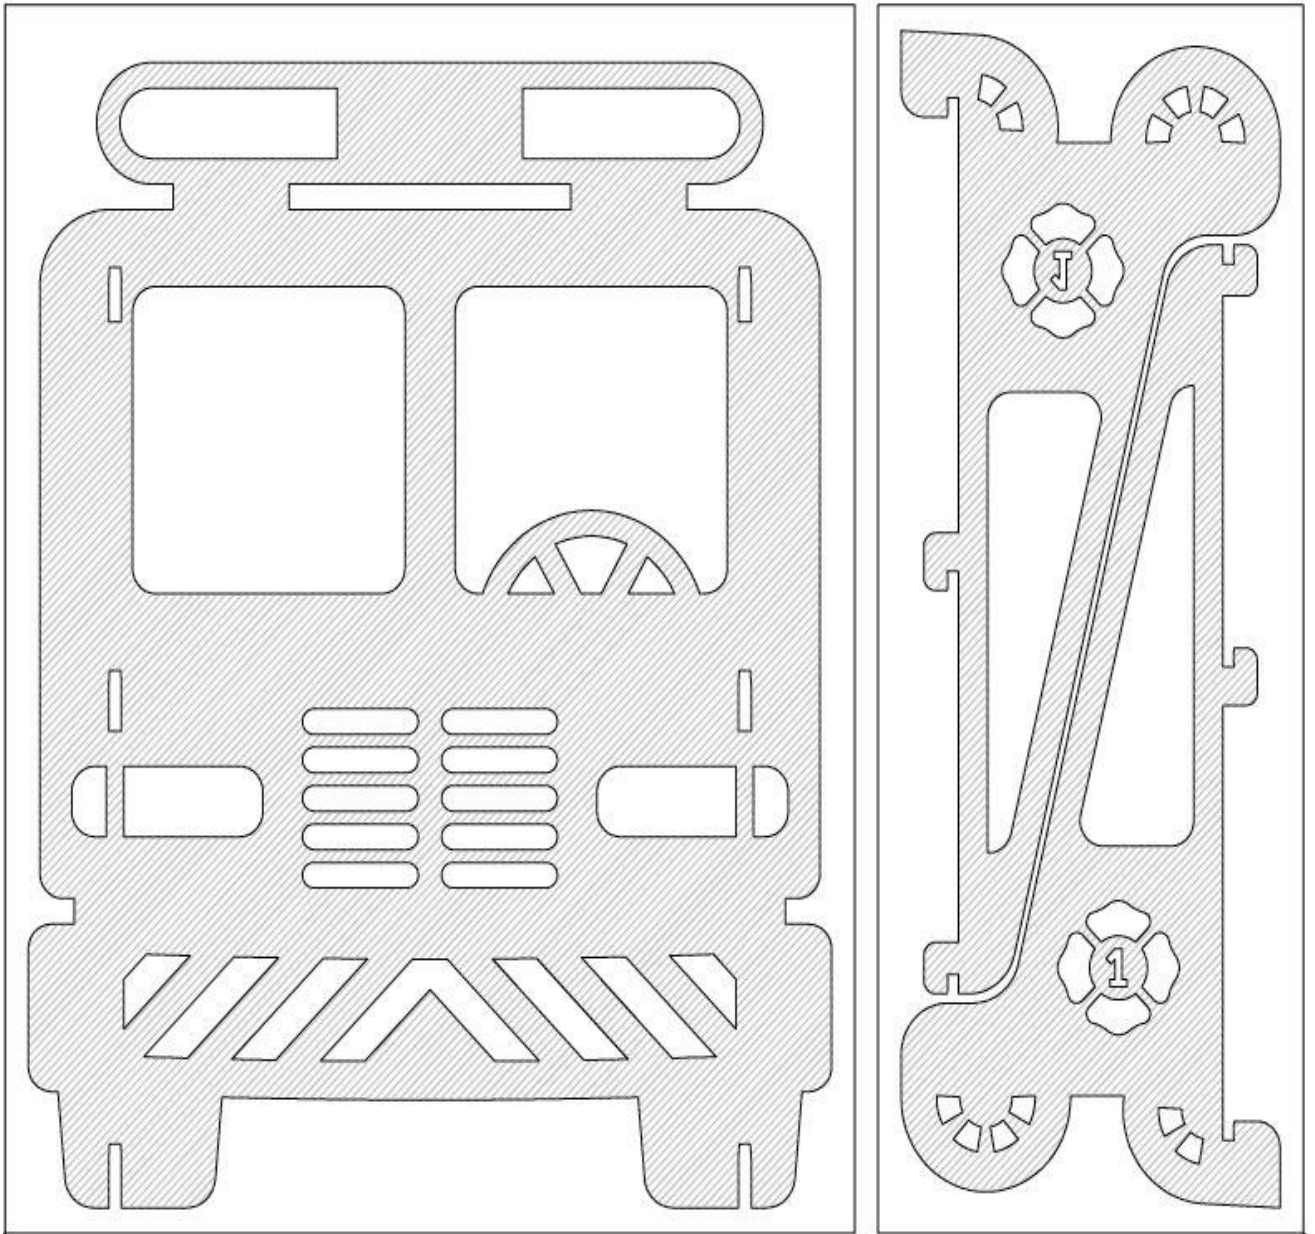

Note: Units can be disassembled following the reverse order for easy storage.
