

OVERVIEW

With Sit+Stand, student's have the flexibility to choose their preferred position: sitting or standing. Styled to match the current line of Silhouette tables and desk, this mobile desk comes with lockable casters and angled legs to allow feet placement underneath desk. The tables' work surface flips downwards for convenient nesting. Please note - When arranged in collaborative pods, heights of table tops may vary.

MATERIALS

The 3/4" thick work surface consists of a 45 lb density particle board core with a 0.030" high pressure laminated surface and a 0.020" melamine backer sheet. The edge of the tabletop features your choice of a bullet t-mold edge or 4mm t-mold, which is then fastened to the underside of the work surface every 6 to 8 inches to assure a long lasting fit.

The base is constructed of cold rolled steel and the column is a combination of steel, aluminum, and plastic.

TOP AND EDGE OPTIONS

3/4" TOP W/ BULLET T-MOLD

3/4" TOP W/ 4MM T-MOLD
