Flowform® Seating

Flowform Motion Stool

MODEL#: 55028

OVERVIEW

Soft to the touch, the Flowform Motion Stool features a 360 degree swivel. The unique, removable Oodle rocker base allows users to switch between sitting flat and sitting with movement. A simple rotation locks the base into place, ensuring stability when desired and freedom of motion when needed. Use the handle for ease of moving the Flowform Motion Stool from one location to another.

MATERIALS

The structure is constructed of plywood frame which is made from Sustainable Forestry Initiative (SFI) certified responsible wood sources. The seating pad is made from high density foam meeting CAL 117 standards and contains no added flame retardant chemicals. The base is made from polypropylene plastic.

The fabric is Designtex 100% vinyl, phthalate free, with a Polyester backing. Highly durable with a 1,000,000 Wyzenbeek double rub (CD) rating. The fabric is easy to clean with a 10:1 Water:Bleach mixture.

WEIGHT CAPACITY: 1 user up to 275 lbs
