Flowform® Seating

Flowform 18" H Soft Rocker

MODEL#: 55035

OVERVIEW

The soft rocker offers a new style of active seating. The rocking action promotes engaging interaction with others. Children, adolescents and even adults love the rocking motion of the soft rocker.

MATERIALS

The structure is constructed of durable kiln-dried Pine solid hardwood with a poplar plywood frame, which is corner blocked at load bearing connections. The back frame is webbed for structural integrity. The seating pad is made from high density foam meeting CA117 standards and contains no added flame retardant chemicals.

The fabric is Designtex 100% vinyl, phthalate free, with a Polyester backing. Highly durable with a 1,000,000 Wyzenbeek double rub (CD) rating. The fabric is easily cleanable with a 10:1 Water: Bleach mixture.

WEIGHT CAPACITY: 1 user up to 275 lbs
