

OVERVIEW

Puppetry is a dynamic way to help young children build language skills, social confidence and self-control. The Flowform Play - Puppet Theater creates endless possibilities for creative storytelling.

This three-dimensional puppet theater is crafted from sustainable, pre-cut PET. We added imaginative details that will inspire young puppeteers (and their audiences) to explore the infinite learning universe. Light-weight panels are easy to assemble, move, and dissemble for compact storing.

MATERIALS

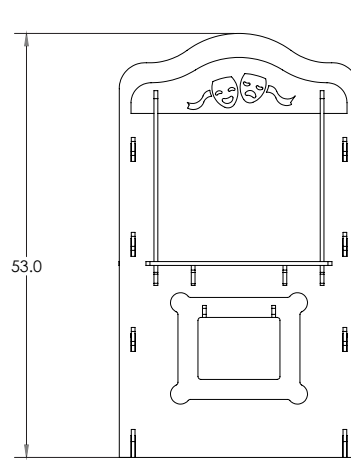

Flowform Play - Puppet Theaters are crafted from sustainable, sound-dampening PET felt. Light-weight pre-cut panels are easy to move, assemble and dissemble for compact storing.
