Planner® Studio

Planner Studio 30" Deep Adjustable Tables

MODEL#: 25258, 25259, 25258STAINLESS, 25259STAINLESS 25268, 25269

Model # Shown: 25256

OVERVIEW

Planner Studio is ideal for all kinds of classroom activities. The heavy duty construction contributes to a sturdy work surface. The Planner Studio table is shipped ready to assemble.

MATERIALS

The 1 1/4" thick work surface consists of a 45 lb density particle board core with a .030" high pressure laminated surface and a .020" melamine backer sheet. The edge of the work surface features a 3mm flat self edge.

The frame consists of two fully welded leg segments and a center support channel. The legs are attached to the top with #10 x 5/8" wood screws through a 14-gauge steel mounting plate. The mounting plate is welded to (2) 60mm x 60mm 14-gauge steel square tube legs which are welded to a 1" x 2" 14-gauge steel tube cross bar The center support channel is 14-gauge steel, with 14-gauge steel end plates for maximum stability. The center support channel is connected to the legs by (3) connector bolts on each side, for a total of (6).
