Assembly Instructions

1. Unpack and confirm all parts are present.
2. Insert cup into the hole in the top until it starts to touch the side walls of the hole.

3. Next take the rubber mallet and hit along the rim of the cup holder. Continue hitting, moving in a circular direction round the rim to try to evenly insert the cup holder into the top. Once the rim of the cup holder is touching the surface of the top you are done.
